FOREWORD

As the monks used colored ink to color the pages of their manuscripts, so have musical activities colored our school life. You can hear music all over America. It is here and will never go away. It has taken hold of the hearts of the people.

Therefore, we have chosen this universal language as an appropriate theme for this 1951 Neff-Vue.

In recognition of the many musical moments we have enjoyed; the patience, determination, and efforts put into the rendition of stirring marches and enchanting melodies; we, the class of 1951, dedicate our volume of the Neff-Vue to Miss Marybelle Nissly and Mr. Harold W. Shaar. Their untiring work has been an inspiring theme of melody within the portals of our school life.

BOARD OF EDUCATION

This group of outstanding men has operated the school system with efficiency and great interest. Because of their exceptional spirit, we have been able to enjoy excellent facilities which many other schools do not have. We deeply appreciate their untiring efforts and their willingness in giving their time for us.

WILLIAM E. NITRAUER

We are honored and privileged to have a trustworthy, capable man like Mr. Nitrauer as our supervising principal. The friendly quality in his pleasing personality, his cooperation, and his faithfulness to Manheim Township will always be remembered by those who have met him and have worked with him. Our thanks go out to him for the many opportunities he has made possible for us during our high school career.

ARTHUR R. OTT

Most students never stop to realize what a high school would be like without proper leadership and guidance. Arthur R. Ott, principal of Manheim Township High School, is the main cog in the great wheel of school functions. In his hands rest the everyday problems of the students plus the many complications which arise in every present-day high school. To him, we extend our most sincere thanks for his endless effort.

JANITORS

Many times during a school day, somewhere, someone is looking for help or advice. Mr. Edwin Reidenbaugh and Mr. Milton Miller, our loyal janitors, always come to the rescue. The many activities of the school could never be carried on without their cooperation, and we extend our sincere appreciation to them.

CAFETERIA STAFF

Things such as apple crisp, vegetable soup, macaroni, etc., keep the students and teachers on the go all day, thanks to our excellent cafeteria staff. They have acquired a real art of cooking, and are able to keep even the "choosy" students happy. Without their ability to plan, prepare, and serve our meals, we would have a great emptiness in our school as well as our stomachs. Thanks for everything!

BUS DRIVERS

Transporting hundreds of students safely to and from school each day is a job worthy of acknowledgment. Icy, snowy roads and other traffic hazards demand good judgment and careful operation of the buses. To these bus drivers, who have performed their duty so capably, the students of Manheim Township express a sincere "thank-you".

CLASS HISTORY

The following piece of literature (?) records the deeds, events, activities, school life, and troubles of our class. To give it an official name, "The History of the Class of 1951".

The first real organization of our class began in our freshman year, when we became a class and held our first class meeting. Reciting Latin conjugations, reviewing science experiments, and other school work filled our year quite capably. One spring day we boarded a bus and headed straight for the heart of Lancaster. There we visited the various civic buildings and the County Jail. "The Freedom Train" was the theme for our ninth grade graduation. After this we gleefully headed for Longs Park for a picnic.

Returning to school with six additions from Lancaster Twp. our sophomore year commenced. We went through this year in a more or less lethargic state, but nevertheless we were still happy.

We began our junior year by popping our haloed heads up in just about every activity imaginable. In March, we immersed into the dramatic side of life—our junior play. The Thespians and committees worked fervently for a successful production of "Come Rain or Shine", directed by Miss Hazel Kerr. Our hillbilly character came to the surface when we held a party at "Shreiner's Barn". This was one of our truly successful adventures. We then, closed

our junior year with visions of all the treasures of summer and vacations.

Returning from our summer vacation we discovered, although it was hard to conceive, that the finale of our school life was beginning.

We weren't in school more than a few days when the first activity for our senior year took place. We thoroughly enjoyed ourselves on the Faculty-Senior Picnic held at Lititz Springs Park. "Insufficient funds" became the wail of every senior. To amend this need we held a rummage sale and with rummage left over, we decided to hold another sale in the spring.

Committees and actors worked feverishly under the excellent direction of Mr. Warren Druckenbrod, to make our senior play, "Life of the Party", a great production. Mim Greenawalt became Hallowe'en Queen in the fall and over Christmas vacation we sponsored a dance, "The Thing".

Then the spotlight focused on things to come, we planned commencement, read college catalogues, talked with Miss Peck about the future and labored over term papers. And so our activities as a class came to a close. With our shoulders back, chests out, and visions of fulfilled dreams in our eyes we take our next step into the world. This step will not be a feeble and searching one, but a firm, sound step echoing and reechoing throughout the life ahead. We leave with gratitude and indebtedness to all who molded and shaped us in our school life, to take our role in the great play entitled—"LIFE".

The plot started simply, becoming more and more complicated as the story unfolded. Lovable Jean Hughes, a true "brain", characterized by Miriam Greenawalt, continued throughout the play to baffle her family, Sally Woodward, a club conscious mother; Ronald Munson, a typical father; and her sisters and brother, Anne Buckwalter, Joan Klein, and Daniel Markley. She also surprised and delighted her many

friends, especially her two boy friends, one, another "brain" like herself, and the other the "Lothario" of the senior class. When Teddy Hughes, portrayed by Daniel Markley, found himself stuck with four dates for one party and James Benner received a precious vase thrown at him, things were anything but calm. All ended well, though, and each person founded himself the "Life of the Party".

CLASS OF '52 HAS BUSY YEAR

As we, the Class of 1952, conclude our junior year, we recall fond memories of full and prosperous months in school. Learning to work together is the most important task of a class and our junior class play taught us how important co-operation is. Each member of the class participated in some way toward making the performance of "Sky High" a success. The actresses, actors, committees, and coach spent a great deal of time in preparing the play for presentation. It also provided much fun and many worthwhile experiences for all concerned.

Parties and dances are a part of every class. In addition to attending various private parties throughout the year, we united with the seniors and sophomores to finance a Christmas dance

held in the school auditorium. Many students combined their time and talents in decorating the dance floor, providing music, and furnishing the refreshments.

Climaxing the school year, a class party was planned by members of the class. Long's Park was the place of meeting for a picnic supper later in the afternoon of the closing day of school. Many juniors spent the afternoon swimming in the Brookside Pools and joined the group afterward for the picnic. Following the feast, dancing was enjoyed by all in one of the pavillions in the park. Tired but yet happy, everyone departed with expectations of the coming year as seniors in Manheim Township High School.

Senior Play

Prompter, characters, stagehands, and make-up girls were all ready and willing on November 10 and 11 when "Life of the Party" was presented under the direction of Warren Bruck-enbrod. With shivers of delight and expectation the seniors tried hard to put this typical teen-age play over with a bang, combining work and fun at both rehearsals and in front of their audiences.

The plot started simply, becoming more and more complicated as the story unfolded. Lovable Jean Hughes, a true "brain", characterized by

Miriam Greenawalt, continued throughout the play to baffle her family, Sally Woodward, a club conscious mother; Ronald Munson, a typical father; and her sisters and brother, Anne Buckwalter, Joan Klein, and Daniel Markley. She also surprised and delighted her many friends, especially her two boy friends, one, another "brain" like herself, and the other the "Lothario" of the senior class. When Teddy Hughes, portrayed by Daniel Markley, found himself stuck with four dates for one party and James Benner received a precious vase thrown at him, things were anything but calm. All ended well, though, and each person founded himself the "Life of the Party".

Junior Play

Despite shivers and shakes, the cast of "Come Rain or Shine" put forth all efforts to show their best thespian abilities. As in all plays there were last minute rushes and scares, but with Miss Hazel Kerr as the directress, the show

went on as scheduled on March 16 and 17, 1950.

Since the play was the class's first activity, all worked hard to make it a huge success. Regardless of the work, there were pleasant memories of the great junior class comedy play, which will linger through the future years.

Press Club

The Press Club is composed of seniors and a few underclassmen, whose main objective is to produce the annual yearbook, "The Neff-Vue." The jobs of selling ads, managing sales, taking care of pictures and writeups are just a few of the many tasks handled by the different departments of the club. These departments are all carefully guided by the capable faculty adviser,

Junior Band

Sounds of martial music pervade the band-room during the weekly rehearsals of the Junior Band. A new organization, the Junior Band, can be heard tuning up every Thursday morn-ing for a practice period.

Although they present few concerts, they receive excellent training for the Senior Band under the baton of Miss Mary Belle Nissly. These young musicians learn to play in cut time, a band essential, and get the feel of the many sharps and flats found in band music. Their repertoire includes many varieties of music.

Junior Orchestra

Gaining valuable orchestral experience is the main desire of the Junior High Orchestra. These young musicians rehearse every week under the direction of Miss Mary Bell Nissly. Little publicity is given their efforts until they are heard in assembly; their achievements are

then appreciated by everyone.

A big moment came in the Spring Concert when they polished off their part of the program with finesse. Accomplishments of the past year were especially noted in the fine rendition they gave of "Festival March". Good instrumental music will be heard in the school as long as this fine organization keeps training its members for the Senior Orchestra.

Drill Team

Working hard, practicing daily, and marching at every football game in their blue and white uniforms these were the duties of the 1950-51 Drill Team. Under the capable leadership of Nancy Eckman and the expert direction of Mrs. Barbara Davis, these 26 girls formed various designs on the football field. "The

Wind Mill", "In My Merry Oldsmobile", and a flag drill were some of the outstanding performances which entertained the spectators. Each exhibition ended with the traditional "M" formation while the Alma Mater was played.

Everyone greatly appreciated the work, time, and effort given by these girls to this organization. Their school spirit and enthusiasm helped to make the drill team of this season the best ever.

Senior Cheerleaders

This group of eight girls has been one of our most efficient and hardworking cheerleading squads.

They have cheered at all varsity football, basketball, and junior varsity away games. The girls have conducted numerous pep rallies and introduced several cheers which helped a great deal in leading the teams to victory. Coached by Miss Rebecca Leaman, the squad deserves much credit and appreciation.

New cheers are being added all the time as they swap with the Senior High Cheer leaders. Coached by Miss Rebecca Leaman, these girls look forward to the time when they can try out for the Senior Cheering Squad and travel to the away games.

French Club

Strains of music seemingly from another land can be heard coming from Miss Mary Weaver's room when the French Club holds its meetings every other week.

All procedures, such as devotions, minutes, and calling of the roll are done in French, and members who participate are entertained with typical French songs, games, and skits.

A candle light service was held in the past year during the Christmas season, to which all French classes were invited.

The activities of this club have promoted interest in the French language and a better understanding of the French people.

In addition to this, the writings of other teen-age authors, published in the "Literary Cavalcade Magazine" to which the club subscribed, were read and criticized.

Art Club

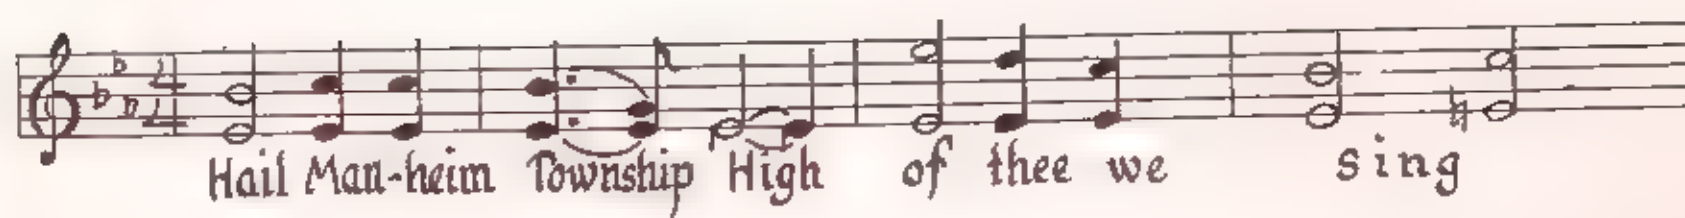

With brush and palette in hand the Art Club has demonstrated their individual skills and talents.

Under the supervision of Mrs. Martha Johnson, this group of senior high school students

has undertaken many and varied projects.

During the Christmas season, cards were made and displayed and tree ornaments for the Christmas assembly were designed by the entire group.

Oil painting, copper working, and etching were some of the projects undertaken by this talented group during the last semester.

F. H. A.

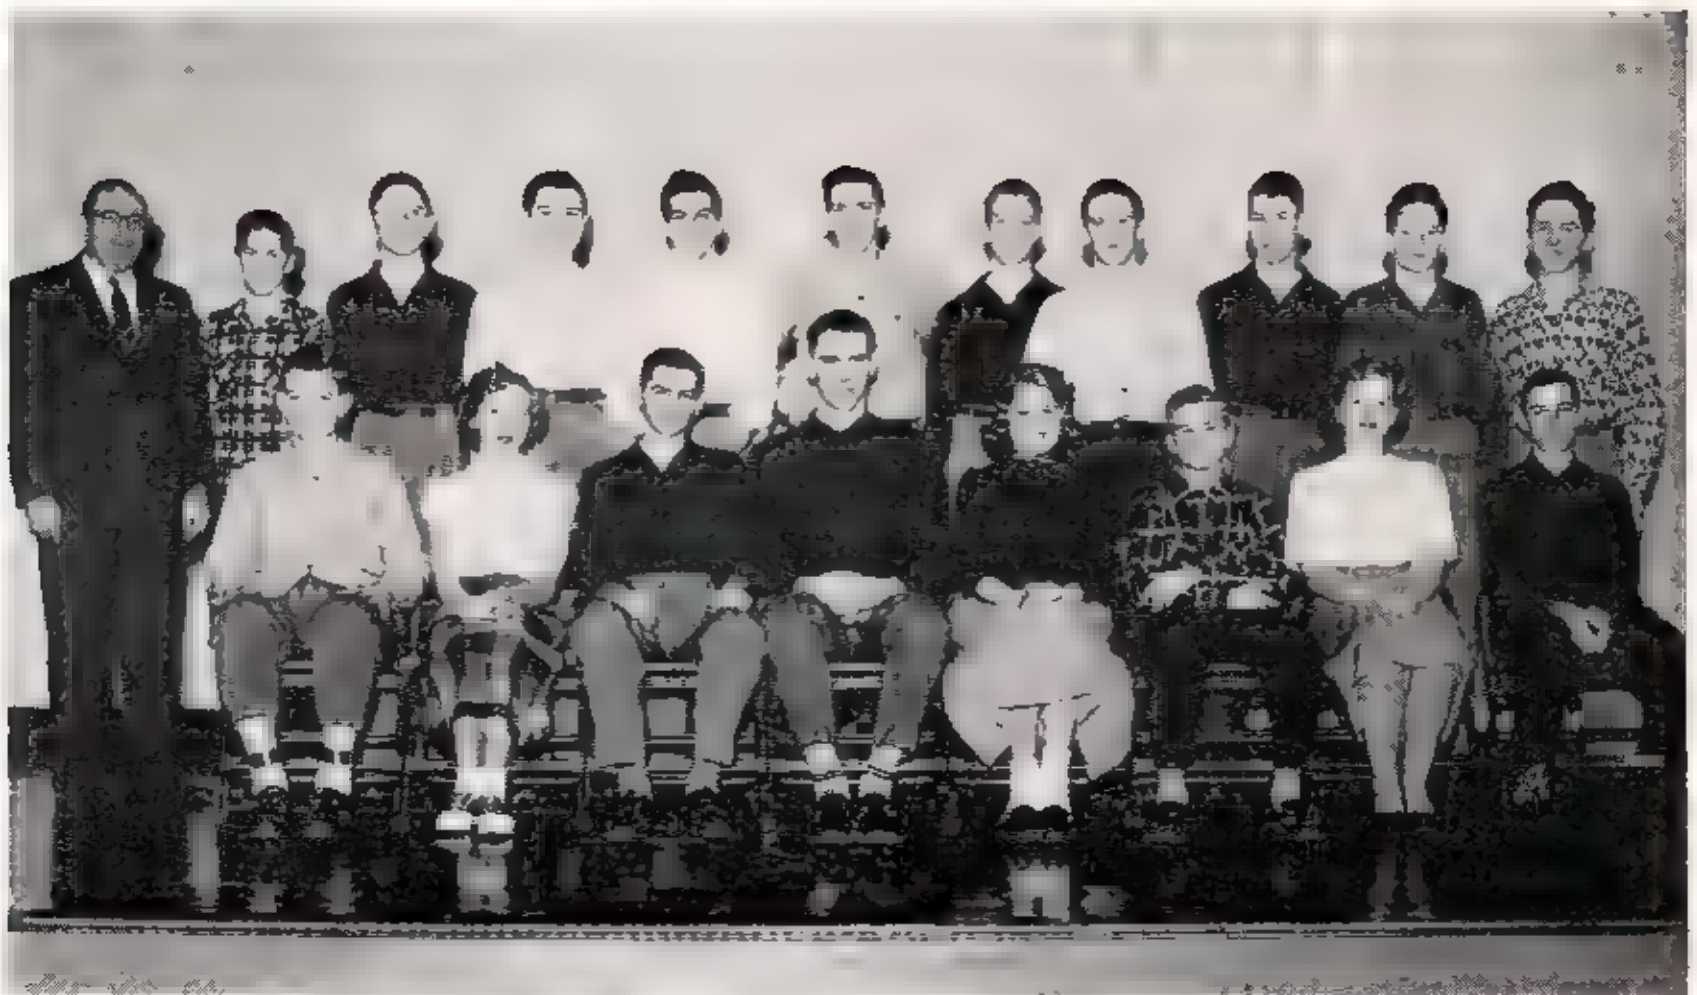

By performing many duties, the girls in F. H. A. Club are acquiring practical experience for the future. This year the club was composed of ninth and tenth grade girls.

Many social events have kept the girls busy throughout the year. The annual visit to the state farm show provided fun for all, and the traditional Mother and Daughter Banquet held

in the spring proved to be very exciting.

Stuffed toys were made by the club for the Junior Red Cross to send overseas. The girls sponsored various food sales during the year, which included a popcorn and candied-apple sale preceding the holidays. Mrs. Helen Wise is club advisor.

After three weeks of practice in the hot summer sun, the 1950 Varsity Football Squad, under the leadership of Coaches Paul Wenrich, Alex Kilkuskie, and Nelson Gible, opened its season with a game at Manheim Boro on September 9. Speed was the chief factor as the Streaks overpowered the heavy Manheim Boro team 26-0.

The first home game of the season pitted the Blue Streaks against the team from Shillington

High School for the first time. After a faulty start the Townshippers got rolling and outran and outpassed the Berks County boys 33-13.

Manheim Township ran into a snag at Elizabethtown and went down fighting to the tune of 27-0.

The outcome of the next game wasn't any brighter for the Streaks, as they were upset by Red Lion 27-13 in a game played at Stumpf Field during a dense fog.

The Blue and White engaged Columbia in a tiff which went scoreless for three periods before the Streaks broke the ice and scored three tallies to win 19-0.

Manheim Township traveled to Palmyra in an effort to defeat the "Palms". The first half was definitely in our favor but injuries kept the Blue Streaks from getting an offensive started, and they bowed 27-19.

The Townshippers found themselves again the next game and ran roughshod over a small Patton Trade squad 26-6.

The Streaks then journeyed to Ephrata, and by playing heads up ball, overcame the favored "Mountaineers", 20-7.

The final game of the season was played at Stumpf Field against our rivals from the north, Lititz. The Streaks led until the final two minutes of the game when the Pretzels pushed over a decisive counter to win 12-7.

HOCKEY

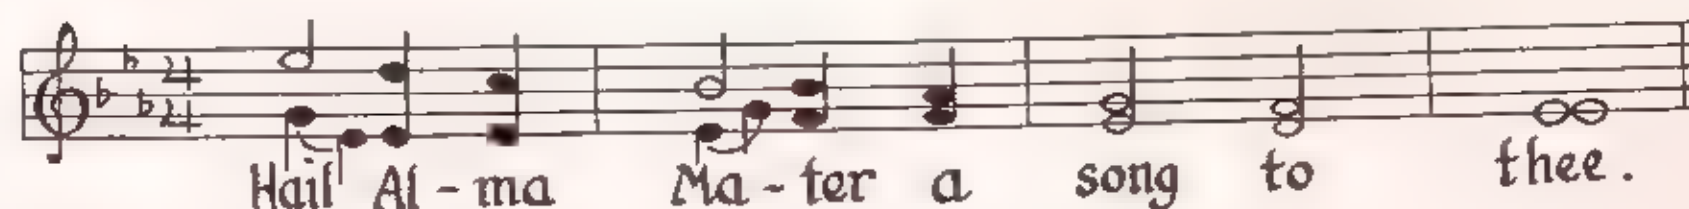

With pep and vigor, with shouts and yells, the Hockey Team of 1950 completed its season with a near perfect record. In the fall of 1950, the M.T.H.S. Streakettes began grueling practice. Night after night, they could be seen on the hockey field with those familiar sticks and balls. A dribble, a drive, a pass, and a goal, over and over again.

The untiring efforts paid worthy dividends as "our girls" defeated team after team and came to a close victory for the championship.

Under the capable direction of Coach Davis, and with the unfailing spirit of Captain "Pug" Eckman, our Hockey Team has overwhelmingly

displayed the spirit of good sportsmanship and endless loyalty to M.T.H.S.

VARSIITY BASKETBALL

The 1950-51 Basketball season started off with a bang as the Blue Streak Basketeers won their first four exhibition games before bowing to Mt. Joy.

After losing their initial County High League tilt to West Lampeter, the Streaks caught fire and rolled over Columbia, Quarryville, and Manor. Ephrata and Lititz came from behind

and handed the Blue and White two straight losses.

The rest of the season added 3 wins and 4 defeats to the ledger, and the Streaks ended up in fourth place in the County High League.

The record for the entire season showed 11 wins against 8 losses.

The all-sophomore team was at a disadvantage in playing teams using juniors, but the boys showed plenty of pluck and courage in every game, and the experience will benefit them in future games.

WRESTLING

WRESTLING SUMMARY

In its first year as a varsity sport at Manheim Township, wrestling found itself very popular. The team engaged in matches and though it was not victorious in any of them the boys gave a very good account of themselves. Coach Gible has laid the groundwork for what will undoubtedly be highly successful teams in the years ahead.

RIFLE TEAM

Manheim Township's Sharpshooters of '51, led by Mr. Carl Stauffer and Mr. Ward Latshaw, have blasted their way through keen competition to become the county's champions. After completing an almost perfect season, our nimrods captured this honor by firing a five point victory over West Lampeter.

TRACK

Once again the Manheim Township track team came through with a highly successful season.

Alex Kilkuskie's lads began the season with a triumph in the quadrangular meet at Columbia. The 440-yard relay team set a Gladfelter Field record in this meet. However, the boys ran into some trouble when they met Shillington, a Class A school and suffered their lone setback. The trackmen romped over three more foes in the next meet at McCaskey. Then, for the third straight year, Manheim Township

won the County Interscholastic track diadem, thus gaining possession of the traveling trophy.

The Streaks proceeded to annex a first place to their honors in the District 3 P.I.A.A. Class B track meet with sixteen schools participating. George Resh broke the record in the 110-yard low hurdles.

Probably the greatest height attained by the team was its victory in the State Championship at State College. This contest brought together the best track squads in the state. Manheim Township amassed 24 points, 6 more than the nearest competitor.

First row, left to right: Harry Gelzenlichter, William Esbenshade, Thomas Dunlevy, Wayne Dussinger, George Resh, Ronald Stuart, Charles Hoffman. Second row, Mr. Paul L. Wenrich (coach), Howard Born, Joseph Pontius, Norman Young, Peter Strauss, John Wilson, Harold Buckwalter.

BASEBALL

The Manheim Township baseball team did not have as successful a season as in the past few years, but nevertheless maintained a .500 average.

The Streaks opened the season with an 11 to 3 decision over New Holland and followed it with a convincing 15 to 1 victory over West Lampeter. McCaskey then visited our field and administered a 17 to 11 defeat on the Township nine in a slugfest played in extremely windy weather. The Blue and White lost the next

three contests by close scores 4-2, 3-1, and 3-2 to Quarryville, Manor, and Lititz respectively. Manheim Township then won three straight one-run victories over Ephrata, Columbia, and Quarryville. Manor turned the tables on the Streaks by a score of 4-2, and West Lampeter triumphed 15 to 6. Bud Young turned in a masterful mound performance and the Townshipers beat Lititz 7-0. Ephrata once again fell victim to the boys; this time by a score of 7 to 2. In the final game of the season, Columbia decided the Streaks, 4-0.

First row, left to right: Howard Born, Bernard Baymiller, Donald Richards. Second row, Mr. Arthur R. Ott (coach), Donald Kohler, John Henderson, Robert Kant, Arthur Pfautz.

TENNIS

Last year's Blue and White netmen, competently coached by Mr. Arthur Ott, justly receive our praise for their keen sense of sportsmanship and their hard-fought matches. Although a clean slate of victories was not displayed, the tennis team of 1950 showed plenty of courage and fight.

We are going to have plenty of good times

Keep working hard in all your sport
